

## **GUIDANCE FOR DOWNSTREAM USERS**

The final version of this document is not yet available.

It is being developed within RIP 3.5 (see <http://ecb.jrc.it/reach/rip/> for more information).

Two sections of the guidance document that have particular importance will be available during summer 2007:

- Guidance on roles and obligations of downstream users.
- Guidance on how Downstream Users can prepare for REACH

It is expected that a final version of the full guidance for Downstream Users will be available in autumn 2007.
